TŪPUNA MAUNGA O TĀMAKI MAKĀURAU AUTHORITY (TŪPUNA MAUNGA AUTHORITY) - ANNUAL FINANCIAL REPORT 2020

I am pleased to provide the Tūpuna Maunga o Tāmaki Makaurau Authority with the attached 2019/2020 annual financial report (the report), which summarises funding, revenue and costs covering the year from 1 July 2019 to 30 June 2020 for the Tūpuna Maunga Authority.

I confirm that the report is accurate and that Auckland Council's accounts relating to the Tūpuna Maunga Authority for the year have been reported appropriately and consistently in accordance with section 63 of the Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014.

I was pleased to see that the Tūpuna Maunga Authority adopted its Integrated Management Plan Strategies, the companion policies to the Integrated Management Plan.

An exciting milestone was the opening of Te Ipu Kōrero o Maungawhau and the Whau cafe at Maungawhau, with assistance from the Māori Outcomes Fund. It is great to see mana whenua managing a business that provides hospitality on this tūpuna maunga.

Two public events held on the tūpuna maunga are worth particular mention: the Love Your Maunga event at Māngere Maunga in February 2020, that received many positive reviews, and the Hikoia te Kōrero event at Maungakiekie (an event for Te Wiki o te Reo Māori language week), which had an estimated 3,000 people take part. I trust that the many visitors to the tūpuna maunga will appreciate the new entrance signs that prominently display the Māori and Pākehā names for the tūpuna maunga.

The Tūpuna Maunga Authority has also continued its restoration programme to plant thousands of native trees, and I am sure that the community will appreciate the continued work on the revitalisation of foot tracks. All tūpuna maunga were successfully managed throughout each of the COVID-19 response levels, ensuring the tūpuna maunga remained open as a space for respite and quiet reflection for local pedestrian access.

I look forward to the forthcoming year of mahi by the Tūpuna Maunga Authority and continuing to foster our co-governance relationship.

Nāu te rourou, nāku te rourou, ka ora ai te iwi.

Noho ora mai, nā

25. Management proposes an initial term of one year to allow time to for the club to deliver on Maunga outcomes and for those to be reviewed.

Rental

26. A rental rate for the building site would be offered based on a market rental value as established by a registered market valuer. The license fee will be calculated at an apportioned daily rate based on the same market rental value.
