Tūpuna Maunga Authority Draft Operational Plan 2025/26

Author: Lucia Kohler, Kaihautu Hotaka

Purpose	To consider the Tūpuna Maunga Authority's Draft Operational Plan 2025/26 (and summary) for inclusion in Auckland Council's Annual Budget 2025-26
Recommendations	<p>That the Tūpuna Maunga o Tāmaki Makaurau Authority:</p> <ul style="list-style-type: none">a) approve the Draft Tūpuna Maunga Authority Operational Plan 2025/26 and the Draft Summary of the Tūpuna Maunga Authority Operational Plan 2025/26.b) note the Auckland Council Governing Body will be invited to approve the Draft Tūpuna Maunga Authority Operational Plan 2024/25 and the Draft Summary of the Tūpuna Maunga Authority Operational Plan 2025/26 for inclusion in the Auckland Council's Annual Budget 2025-26.

Background

1. Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014 requires the Tūpuna Maunga Authority and Auckland Council to agree an annual operational plan and a summary of that plan for inclusion in council's annual plan.
2. At Hui 93 (29 July 2024) the Tūpuna Maunga Authority adopted its the ten-year LTP budget and the Tūpuna Maunga Authority o Tāmaki Makaurau Operational Plan 2024/25. These budgets have been adopted by the Auckland Council.
3. The Draft Operational plan 2024/25 represents a continuation of the funding and activity indicated in previous financial planning and fits within the LTP budget envelope.

Statutory and other considerations

4. The process and any decision to adopt an Operational Plan, and summary thereof, is required to take into account the legislative and policy framework.
5. Section 109(2) of Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014 requires the Authority to have regard to the spiritual, ancestral, cultural, customary, and historical significance of the Maunga to Ngā Mana Whenua o Tāmaki Makaurau and that the Tūpuna Maunga is held in trust for Ngā Mana Whenua and the other people of Auckland.
6. The Tūpuna Maunga Authority's Integrated Management Plan was adopted by the Authority pursuant to the Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014 and Reserves Act 1977. The Integrated Management Plan describes a series of "Values" and "Pathways" that guide all activities on the Tūpuna Maunga.
7. The Tūpuna Maunga Authority adopted the Tūpuna Maunga Strategies at Hui 50 on 25 September 2020. The Tūpuna Maunga Strategies are 7 key sections that outline the strategic direction with regards to education, Biodiversity, Tūpuna Maunga design, Recreation, commercial activities and monitoring. Together with the IMP, these strategies inform guide and manage the activities undertaken on the Maunga.

8. The Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014 sets out a process for the adoption of an “Annual Operational Plan” by the Authority (refer sections 60-63). Management have worked alongside the council’s legal and finance teams to ensure compliance with the procedures set out in the legislation.
9. The Authority administers the Tūpuna Maunga under the Reserves Act 1977 and pursuant to Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014. The Hauraki Gulf Marine Park Act 2000 is also applicable in relation to Maungauika.

Discussion

10. The draft Operational Plan 2025/26 is Attachment A. The draft annual budget for 2025/26 is within the Long-Term Plan funding envelope agreed this year by the Authority and Auckland Council.
11. Management are proposing minor changes to the operational plan for the coming financial year. The budgets (while within the LTP envelope) have realigned some figures through the next three years to match the Authority’s work programme more accurately. There are some major capital works projects (already described in the previous Operational Plan 2024/25) where the initial investigation phase has been completed and the project scope more accurately defined.

Next Steps

12. Once approved by the Maunga Authority, the Auckland Council’s Governing Body will be invited to approve the Authority’s operational plan, including a summary of the Operational Plan for inclusion in the council’s draft Annual Budget 2025/26.
13. The indicative timeframes for the development and adoption of council’s Annual Plan 2025/26 are:
 - Council decision making on the draft Operational and Mayoral proposal/consultation documents: December 2024
 - Public Consultation by the Authority and Auckland Council: February to March 2025
 - Joint workshop of Authority and Auckland Council: anticipated end of April 2025
 - Deliberations: April to May 2025
 - Adoption of Operational Plan as final: by end of June 2025.
14. The Maunga Authority will, as in previous years, carry out its own consultation process on the annual operational plan alongside the council’s process.

Ngā Tūpuna Maunga o Tāmaki Makaurau

The ancestral mountains of Auckland

It is the rich history of Māori connection to the Maunga (volcanoes) of Tāmaki Makaurau / Auckland, unbroken over time, that sets them apart from any other volcanic landscape in the world.

As Māori established here, the Maunga were valued as natural places for pā (settlements), with their rich volcanic soils and their unique form and height for easy defence. The number of Maunga pā across Tāmaki Makaurau made it an important region of Māori social organisation and a main location for trade between tribes throughout Aotearoa / New Zealand.

The Maunga are central to the spiritual and cultural identity of Māori.

A defining principle in te ao Māori (the Māori world) is kinship. All the myriad elements of creation – the living and the dead, the animate and inanimate – are inter-related. All are infused with mauri (life force) and wairua (spirit), and all are related through whakapapa (common descent) from Ranginui (Sky Father) and Papatūānuku (Earth Mother).

In Māori culture, the people of a place are related to its mountains, rivers and species of plant and animal, and regard them in personal terms. Wairuatanga (spiritual

connections) between people and the natural world is an integral part of traditional Māori cultural practices.

Tikanga (protocols) have been established over time to ensure that resources are harvested sustainably and that the relationship with the natural environment remains balanced. The Maunga, as with all of the natural environment, are governed by fundamental values such as kaitiakitanga (guardianship), manaakitanga (care and generosity) and utu (reciprocity) which reinforce a sense of belonging and social cohesion.

To Nga Mana whenua o Tāmaki Makaurau (the Māori tribes of Auckland), the Maunga are living entities with mauri and wairua. They are regarded as Tūpuna (ancestors), and as taonga tuku iho (treasures to be handed down the generations).

In recognition of the deep spiritual, cultural and customary connection between the Maunga and the Māori people of this land, the Auckland volcanic field heads New Zealand's working list for World Heritage status with the United Nations Educational, Scientific and Cultural Organisation (UNESCO).

The Tūpuna Maunga Redress

The Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Settlement is an outcome of Mana Whenua and the Crown settling historical Treaty of Waitangi breaches. The settlement recognises that the Tūpuna Maunga are taonga in relation to which Mana Whenua have always maintained a unique relationship and honours their intergenerational role as kaitiaki (guardians).

In July 2014, the Collective Redress Act was passed. The Act vested the Crown-owned land of 14 Tūpuna Maunga in Ngā Mana Whenua o Tāmaki Makaurau, on the basis that they are held in trust for the common benefit of the iwi/hapū of Ngā Mana Whenua o Tāmaki Makaurau and the other people of Auckland.

The Tūpuna Maunga are owned by the 13 iwi/hapū of Ngā Mana Whenua o Tāmaki Makaurau via the Tūpuna Taonga o Tāmaki Makaurau Trust.

THE 14 TŪPUNA MAUNGA ARE:

Matukutūruru/Wiri Mountain

Maungakiekie/One Tree Hill

Maungarei/Mount Wellington

Maungauika/North Head

Maungawhau/Mount Eden

Ōhinerau/Mount Hobson

Ōhuirangi/Pigeon Mountain

Ōtāhuhu/Mount Richmond

Puketāpapa/Pukewīwī/Mount Roskill

Rarotonga/Mount Smart *

Takarunga/Mount Victoria

Te Kōpuke/Tītīkōpuke/Mount St John

Te Tātua a Riukiuta/Big King

Under the Act each Tūpuna Maunga was declared a reserve and the Tūpuna Maunga Authority was appointed as the administering body for the majority of the Maunga for the purposes of the Reserves Act 1977.

THE EXCEPTION IS:

- Rarotonga /Mount Smart which is vested in the Taonga Trust and administered by Auckland Council (Regional Facilities Auckland) under the Mount Smart Regional Recreation Centre Act 1985 and Reserves Act 1977.

The Collective Redress Act also transferred the administration of the following reserve land retained in Crown ownership to the Tūpuna Maunga Authority:

- Te Pane-o-Mataaho /Te Ara Pueru/ Māngere Mountain – ownership of the land remains with the Crown and is administered by the Tūpuna Maunga Authority under the Collective Redress Act and Reserves Act.

NGĀ MANA WHENUA O TĀMAKI MAKAURAU

Ngā Mana Whenua o Tāmaki Makaurau is the collective name of the 13 iwi/hapū with historical Treaty claims in the wider Tāmaki Makaurau. The iwi/hapū are grouped into the following three rōpū:

- Marutūāhu Rōpū: Ngāti Maru, Ngāti Pāoa, Ngāti Tamaterā, Ngāti Whanaunga, Te Patukirikiri;
- Ngāti Whātua Rōpū: Ngāti Whātua o Kaipara, Ngāti Whātua Ōrākei, Te Rūnanga o Ngāti Whātua; and
- Waiohū Tāmaki Rōpū: Ngāi Tai ki Tāmaki, Ngāti Tamaoho, Ngāti Te Ata, Te Ākitai Waiohū, Te Kawerau ā Maki.

The collective approach recognises that the iwi and hapū have various shared customary interests within Tāmaki Makaurau such that a collective settlement approach is appropriate. It also provides for the greater exercise of whanaungatanga and kotahitanga between the iwi/hapū.

The sections for each of the Tūpuna Maunga within this document show the individual iwi and hapū customary association with that Tūpuna Maunga as recorded in the Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Deed of Settlement.

TŪPUNA TAONGA O TĀMAKI MAKAURAU TRUST

The Tūpuna Taonga o Tāmaki Makaurau Trust (Trust) was set up to receive the Tāmaki Collective cultural redress arising out of the Collective Redress Act.

The Trust receives, administers, manages, protects and governs the assets of the Trust for and on behalf of the 13 iwi and hapū of Ngā Mana Whenua o Tāmaki Makaurau.

The Trust's Statement of Intent 2017/18 confirms the Trust's strategic objectives as:

- Toitū te whenua, whatu ngarongaro te tangata**
Enduring protection and management of cultural redress properties
- Tē tōia, tē haumatia**
A sustainable Trust that fulfils its purpose well
- Toitū te kupu, toitū te mana, toitū te whenua**
A strong Mana Whenua presence and connection to cultural redress
- Mā whero, mā pango ka oti ai te mahi**
Enduring relationships and collaboration.

TŪPUNA MAUNGA AUTHORITY

The Tūpuna Maunga Authority is the statutory authority established under the Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act to co-govern the Tūpuna Maunga. The inaugural hui was held in November 2014.

The Tūpuna Maunga Authority has six representatives appointed by Ngā Mana Whenua o Tāmaki Makaurau and six appointed by council. The Minister for Arts, Culture and Heritage may also appoint a non-voting Crown representative.

The Tūpuna Maunga Authority is independent of council and has its own decision-making powers and functions. Council is responsible for the routine management of the Maunga under the direction of the Tūpuna Maunga Authority.

The Tūpuna Maunga Authority's bespoke co-governance structure recognises not only the important relationship Ngā Mana Whenua have with these sacred places, but also their importance to, and connection with, all the peoples of Auckland. The Tūpuna Maunga Authority is a tangible expression of the spirit of partnership between Ngā Mana Whenua and council.

Auckland Council is responsible for the routine management of the Tūpuna Maunga under the direction of the Tūpuna Maunga Authority. It is responsible for the costs in relation to the Tūpuna Maunga and administered lands incurred by council and the Tūpuna Maunga Authority in carrying out their respective functions under the Collective Redress Act or the Reserves Act 1977.

Council must also provide the Tūpuna Maunga Authority with the administrative support necessary to carry out its functions and to exercise its powers. This responsibility is within the extent that funding and revenue for the Maunga and the administered lands allow.

TŪPUNA MAUNGA INTEGRATED MANAGEMENT PLAN

The Tūpuna Maunga Integrated Management Plan (“IMP”) sets the foundations for how the Tūpuna Maunga are valued, protected, restored, enhanced, and managed in the future with equal consideration and reverence. The IMP established a set of Values for the Tūpuna Maunga which are outlined below.

The IMP was developed in accordance with Section 41 of the Reserves Act to provide for and ensure the use, enjoyment, maintenance, protection, preservation, and development as appropriate for the reserve purposes for which each of the Tūpuna Maunga is classified. This single integrated plan replaces the former separate legacy reserve management plans for the Tūpuna Maunga.

The IMP was approved in 2016 following a public consultation process and can be read online at www.maunga.nz.¹

TŪPUNA MAUNGA INTEGRATED MANAGEMENT PLAN STRATEGIES

The Tūpuna Maunga Integrated Management Plan Strategies are the next level of policy development for the Tūpuna Maunga and aim to support the Values and Pathways in the Tūpuna Maunga Integrated Management Plan 2016.

The IMP Strategies was approved in 2019 following a public consultation process and can be read online at www.maunga.nz.

TŪPUNA MAUNGA INDIVIDUAL MAUNGA PLANS

The Individual Maunga plans (Maunga Plans) are the final tier of policy development and complete the series of documents as part of the Integrated Management Plan Framework. The Plans give effect to the Values, Pathways, Guidelines and Strategies and provide further detail with regards to the work the Authority is undertaking to enhance the health and well-being of the Tūpuna Maunga. The Maunga Plans are living documents that can be updated in accordance with future Annual Operational Plans.

¹ The IMP was amended in 2022 following another public consultation process to allow for the delivery of the Tūpuna Maunga restoration programme

The first 3 Maunga Plans were approved in July 2023. Further Individual Maunga Plans will be developed over the course of the current term of the Tūpuna Maunga Authority.

TŪPUNA MAUNGA VALUES

Within the Tūpuna Maunga Integrated Management Plan, the Tūpuna Maunga Authority has articulated a set of values of the Tūpuna Maunga. The values promote the statutory purpose of the Tūpuna Maunga under section 109 of the Collective Redress Act, where in exercising its powers and functions the Authority must have regard to the spiritual, ancestral, cultural, customary and historical significance of the Tūpuna Maunga to Ngā Mana Whenua.

The values provide a strategic framework to guide the Tūpuna Maunga Authority in making any decision about the Tūpuna Maunga.

The values weave together and give expression to mana whenua and other world views, and the connections and histories in a manner that highlights the way in which these views complement each other and create a richness to the relationship people have with the Tūpuna Maunga and multiple ways in which ways in which these relationships are thought of and expressed.

The Tūpuna Maunga Authority Operational Plan

For each financial year the Tūpuna Maunga Authority and Auckland Council (council) must agree an operational plan. The plan outlines how council will carry out the routine maintenance of the Tūpuna Maunga (ancestral mountains) and administered lands under the direction of the Tūpuna Maunga Authority. This is a requirement under section 60 of the Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014 (the Collective Redress Act).

The operational plan outlines the work programme for the financial year, which comprises of a number of projects at a network and individual Maunga level. Importantly, the operational plan sets out how these individual projects contribute to delivery of the Tūpuna Maunga Authority's

objectives and vision for the Tūpuna Maunga by linking them to one or more of the Tūpuna Maunga Values in the Integrated Management Plan.

This Operational Plan covers the financial years 2025/26, 2026/27 and 2027/28 in detail. Network-wide budgets are shown for a number of programmes. Once the guidelines and strategies and individual Maunga plans have been developed, these will be able to be further refined to show spend on individual Maunga.

This Operational Plan also includes the funding envelope for the second year of the Auckland Council 10 Year Budget (Long Term Plan) 2024-34.

WORK PROGRAMME OVERVIEW

In addition to expressing the objectives and vision for the Tūpuna Maunga, the values are the key driver of the Tūpuna Maunga work programme (see Table 1).

This work programme is a continuation from the Long-Term Plan 2024-34. This year's operational plan reflects the progress that has been made on this programme and includes further projects which have emerged from the Tūpuna Maunga Strategies.

The outer years of the proposed work programme foreshadow a change in the focus of the Authority as the significant CAPEX projects are completed.

Priority programmes and projects over the next 3 years include:

POLICY AND MANAGEMENT

- Develop individual Tūpuna Maunga plans to provide direction on how the Values, Pathways, guidelines and strategies should be reflected on each Tūpuna Maunga.
- Progressing the potential transfer of administration over certain Maunga reserve lands from the Department of Conservation to the Authority, and the potential transfer of the administration of land contiguous to other Tūpuna Maunga
- Establishment of a compliance programme including a review of current and establishment of appropriate bylaws.

- Develop and implement a commercial framework which ensures continued investment back into the Tūpuna Maunga. This includes exploration of potential commercial activities and facilities, as well as the development of a concession framework for commercial operators on the Maunga.

All projects are designed to deliver outcomes for the 13 iwi/hapū of the Tāmaki Collective and all the people of Auckland, enhance the mana and mauri of the Tūpuna Maunga and deliver improved open spaces across the eight local board areas.

They will also enable a compelling case in a future UNESCO World Heritage bid for the Tūpuna Maunga, which will contribute to a Māori identity that is Auckland's point of difference in the world. The bid for World Heritage status will require a dedicated resource and will continue to be progressed in this financial year in partnership with the Department of Conservation.

The table below sets out the prioritised projects, grouped into programmes of work aligned with values, for the 10 years of the Auckland Council 10 Year Budget (Long Term Plan) 2024-34. These are then phased over the short, medium and long term. It includes policy projects as well as operational and capital projects. FUNDING, REVENUE AND EXPENDITURE
22

Te Pane-o-Mataaho /Te Ara Pueru/ Māngere Mountain

Funding and revenue for the Tūpuna Maunga and administered lands may only be applied for the purposes of the Maunga and the administered lands.

Funding and revenue for the Maunga must be:

- Held and accounted for separately by council
- Applied by council under the direction of the Tūpuna Maunga Authority and in accordance with the annual operational plan

Every 3 years council must prepare and adopt a 10 Year Budget (Long Term Plan) which describes the activities of the council and forecast expenditure and funding requirements for the next 10 years.

The expenditure and funding requirements for the Maunga Authority for 10 years are included in the council's 10 Year Budget (Long Term Plan) 2024-34 are shown in Table 2.

This operational plan sets out the detailed expenditure and revenue for the 2025/26 and indicative financial information for 2026/27 and 2027/28. The annual operational plan for 2025/26 and the subsequent years fits within this funding envelope. The Tūpuna Maunga Authority manage the Maunga as a network. The individual Maunga sections set out maunga-specific costs for programmes and projects where these have been identified and scoped. The network-wide programmes require further project planning to determine how they will be applied to each Maunga.

Any budget variation associated with individual projects or network-wide programmes will be shared across the network in accordance with the priorities set out in Table 2 and kept within the total funding envelope.

OPERATIONAL EXPENDITURE

Net operating expenditure covers income and expenditure from day-to-day operations and services.

The operational expenditure shown in the individual Maunga sections is in future year dollar terms. The annual inflation rates applied are based on the rates used in the Auckland Council Long-term Plan 2024-34.

CAPITAL EXPENDITURE

CAPITAL DEVELOPMENT PROJECTS

These are for the creation or purchase of new assets, typically to address growth in demand, changes to the required Level of Service and to be consistent with the Tūpuna Maunga values and pathways as identified in the Integrated Management Plan. Any new Capital Project to be delivered are identified under each Maunga.

- the promotion of philanthropy to contribute to the care and protection of the Tūpuna Maunga, and
- the development of visitor information hubs.

The Commercial Strategy will confirm the activities that the Tūpuna Maunga Authority will actively progress and the staging of these projects.

OPERATIONAL PLAN 2025/26**

www.maunga.nz

The Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014 (the Act) requires the Tūpuna Maunga o Tāmaki Makaurau Authority (Tūpuna Maunga Authority) and Auckland Council to prepare an Annual Operational Plan and a summary of that plan for inclusion in the Auckland Council's Annual Operational Plan 2025/26 process.

The Tūpuna Maunga Authority and Auckland Council are required to approve the Annual Operational Plan. The Tūpuna Maunga Authority Operational Plan 2025/26 must be considered and adopted concurrently with the Auckland Council's Operational Plan 2025/26. A summary of the Tūpuna Maunga Authority's indicative funding requirements are outlined in this Section.

NGĀ MANA WHENUA O TĀMAKI
MAKAURAU

Ngā Mana Whenua o Tāmaki Makaurau negotiated a collective settlement of their historical Treaty claims with the Crown. Ngā Mana Whenua o Tāmaki Makaurau is the collective name of the 13 iwi/hapū with historical Treaty claims in wider Tāmaki Makaurau. The iwi/hapū are grouped into the following three rōpū:

THE NGĀ MANA WHENUA O
TĀMAKI MAKAURAU COLLECTIVE
REDRESS ACT 2014

The Collective Redress Act 2014 vested the Crown owned land in 14 Tūpuna Maunga (ancestral mountains) in Ngā Mana Whenua o Tāmaki Makaurau. They are held for the common benefit of the iwi/hapū of Ngā Mana Whenua o Tāmaki Makaurau and the other people of Auckland. The Tūpuna Maunga are vested as reserves under the Reserves Act 1977.

THE 14 TŪPUNA MAUNGA ARE:

Matukutūruru /Wiri Mountain	Ōtāhuhu /Mount Richmond
Maungakiekie /One Tree Hill	Ōwairaka /Te Ahi-kā-a-Rakataura/ Mount Albert
Maungarei /Mount Wellington	Puketāpapa /Pukewīwī/Mount Roskill

Maungawhau /Mount Eden	Takarunga /Mount Victoria
Ōhinerau /Mount Hobson	Te Kōpuke /Tītīkōpuke/Mount St John

CO-GOVERNANCE

The Act also established the Tūpuna Maunga Authority, a bespoke co-governance entity, to administer the Tūpuna Maunga.

The Authority has six representatives from Ngā Mana Whenua o Tāmaki Makaurau, six from Auckland Council and one non-voting Crown representative appointed by the Minister for Arts, Culture and Heritage. The term of the Authority aligns with the term of the Council.

Under the Act, the Tūpuna Maunga Authority is the administering body for each Maunga for the purposes of the Reserves Act 1977, with two exceptions of Maungauika / North Head and Rarotonga / Mount Smart.

Maungauika / North Head has previously been administered by the Crown (Department of Conservation) but has now been transferred to the Tūpuna Maunga Authority. Routine management is now undertaken by council under the direction of the Tūpuna Maunga Authority in the same way as for the other Maunga.

Responsibility for administration and management of Rarotonga / Mount Smart remains with Auckland Council (Regional Facilities Auckland) under the Mount Smart Regional Recreation Centre Act 1985 and Reserves Act 1977.

The Tūpuna Maunga Authority is also the administering body for Te Pane-o-Mataaho / Te Ara Pueru / Māngere Mountain and the Maungakiekie / One Tree Hill northern land.

The legislation provides for funding and staff resourcing through Auckland Council. The Authority is currently supported by a core team of eight council staff across the Governance and Parks, Sport and Recreation units.

The scale of this co-governance arrangement is unparalleled in Auckland and the resulting unified and cohesive approach to caring for the Maunga has garnered widespread support.

STRATEGIC FRAMEWORK:

TŪPUNA MAUNGA INTEGRATED MANAGEMENT PLAN

The Tūpuna Maunga Integrated Management Plan ("IMP") sets the foundations for how the Tūpuna Maunga are valued, protected, restored, enhanced, and managed in the future with equal consideration and reverence. The IMP established a set of Values for the Tūpuna Maunga which are outlined below.

The IMP was developed in accordance with Section 41 of the Reserves Act to provide for and ensure the use, enjoyment, maintenance, protection, preservation, and development as appropriate for the reserve purposes for which each of the Tūpuna Maunga is classified. This single integrated plan replaces the former separate legacy reserve management plans for the Tūpuna Maunga.

The IMP was approved in 2016 following a public consultation process and are available at www.maunga.nz.

TŪPUNA MAUNGA INTEGRATED MANAGEMENT PLAN STRATEGIES

The Tūpuna Maunga Integrated Management Plan Strategies are the next level of policy development for the Tūpuna Maunga and aim to support the Values and Pathways in the Tūpuna Maunga Integrated Management Plan 2016.

The IMP Strategies was approved in 2019 following a public consultation process and are available at www.maunga.nz.

TŪPUNA MAUNGA VALUES

Within the Tūpuna Maunga Integrated Management Plan, the Tūpuna Maunga Authority has articulated a set of values of the Tūpuna Maunga. The values promote the statutory purpose of the Tūpuna Maunga under section 109 of the Collective Redress Act, where in exercising its powers and functions the Authority must have regard to the spiritual, ancestral, cultural, customary and historical significance of the Tūpuna Maunga to Ngā Mana Whenua.

The values provide a strategic framework to guide the Tūpuna Maunga Authority in making any decision about the Tūpuna Maunga.

The values weave together and give expression to mana whenua and other world views, and the connections and histories in a manner that highlights the way in which these views complement each other and create a richness to the relationship people have with the Tūpuna Maunga and multiple ways in which ways in which these relationships are thought of and expressed.

TŪPUNA MAUNGA OPERATIONAL PLAN 2025/26

Each financial year, the Tūpuna Maunga Authority and Council must agree an annual operational plan to provide a framework in which the Council will carry out its functions for the routine management of the Tūpuna Maunga and administered lands for that financial year, under the direction of the Tūpuna Maunga Authority.

The Tūpuna Maunga Operational Plan 2025/26 identifies a number of projects to be delivered or commenced in the coming financial year and the subsequent two financial years. The budget for 2025/26 and the subsequent years fits within this funding envelope.

A copy of the Operational Plan can be found at www.aucklandcouncil.govt.nz

Guy Fawkes Review

Author: David Bhana, Tūpuna Maunga Manager

Purpose	An update on the 2024 Guy Fawkes period, and recent fires on the Maunga.
Recommendation	That the Tūpuna Maunga o Tāmaki Makaurau Authority: a) note the protection measures, continued since 2020, for the Tūpuna Maunga during the 2024 Guy Fawkes period as set out in the report.

Background

1. Fireworks are the number one cause of fires on the Tūpuna Maunga.
2. At Hui 22 (21 November 2016) following further fireworks fires on the Maunga, the Authority formally opposed the use of fireworks on the Tūpuna Maunga.
3. The Tūpuna Maunga Authority has closed all maunga during this Guy Fawkes period since 2020.
4. This is updating on the paper in Hui 95 outlining the plan during the Guy Fawkes period 2024.

Statutory and other considerations

5. Any decision to determine management within a reserve must take into account the legislative and policy framework.
6. Section 109(2) of Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014 requires the Authority to have regard to the spiritual, ancestral, cultural, customary, and historical significance of the Maunga to Ngā Mana Whenua o Tāmaki Makaurau and that the Tūpuna Maunga is held in trust for Ngā Mana Whenua and the other people of Auckland.
7. The Tūpuna Maunga Authority's Integrated Management Plan was adopted by the Authority pursuant to the Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014 and Reserves Act 1977. The Integrated Management Plan describes a series of "Values" and "Pathways" that guide all activities on the Tūpuna Maunga.
8. The Tūpuna Maunga Authority adopted the Tūpuna Maunga Strategies at Hui 50 on 25 September 2020. The Tūpuna Maunga Strategies are 7 key sections that outline the strategic direction with regards to education, Biodiversity, Tūpuna Maunga design, Recreation, commercial activities and monitoring. Together with the IMP, these strategies inform guide and manage the activities undertaken on the Maunga.
9. The Authority administers the Tūpuna Maunga under the Reserves Act 1977 and pursuant to Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014. The Hauraki Gulf Marine Park Act 2000 is also applicable in relation to Maungauika.

Discussion

Summary of events and interactions

10. In total, during the closure of the Maunga, security had interactions with 3917 people across the Maunga network. The following weekend they also had 966 interactions on our more frequented Maunga that they were a presence on. This was an increase on 2023 by 31%, but it is noted that the weather this year was better than last which could contribute to that increase.
11. There were 27 minor incidents over this period; these mostly consisted of disgruntled members of public and attempts to light fireworks on the Maunga after closure. One of these instances has been noted in the health and safety register as a member of the public shot fireworks in the direction of security from a distance after being refused access to the Maunga.
12. Overall, the support for protecting the Maunga during Guy Fawkes was high, especially after the damage to Maungarei. The need to protect the Maunga is still very high during this period and management will continue to refine how we provide that protection for next year.

Pre and post Guy Fawkes issues

13. The Maunga experienced two fires outside the Guy Fawkes period; one on November 1 at Maungarei and another on November 21 at Māngere.
14. The definite sources of these were undetermined by FENZ, however they can guarantee that they were intentionally started by people.
15. The importance of firebreaks was evident on Māngere (see Photo 1 below). Fire will travel upwards, but the firebreaks can be seen to slow fire spreading towards any neighbouring properties and give the firefighters space to undertake their operation.
16. Management will continue to undertake these fire prevention and mitigation measures on the Maunga, and look at other options to keep the Maunga and neighbours safe.

Recommendation	That the Tūpuna Maunga o Tāmaki Makaurau Authority: a) approve the schedule for future Hui until September 2025, as set out in this report.

Background

1. The Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014 states that the Maunga Authority's meetings "must be held at a time and place fixed by the Authority" (schedule 4, clause 6). The Maunga Authority Standing Orders requires the Maunga Authority to hold a minimum of six hui per year (section 4.1). At the inaugural Hui (15 September 2014) the Maunga Authority agreed to hold monthly Hui during its first year of operation. It was expected that over time Hui would become less frequent.

Statutory and other considerations

2. Any decision to determine management within a reserve must take into account the legislative and policy framework.
3. Section 109(2) of Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014 requires the Authority to have regard to the spiritual, ancestral, cultural, customary, and historical significance of the Maunga to Ngā Mana Whenua o Tāmaki Makaurau and that the Tūpuna Maunga is held in trust for Ngā Mana Whenua and the other people of Auckland.
4. The Tūpuna Maunga Authority's Integrated Management Plan was adopted by the Authority pursuant to the Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014 and Reserves Act 1977. The Integrated Management Plan describes a series of "Values" and "Pathways" that guide all activities on the Tūpuna Maunga.
5. The Tūpuna Maunga Authority adopted the Tūpuna Maunga Strategies at Hui 50 on 25 September 2020. The Tūpuna Maunga Strategies are 7 key sections that outline the strategic direction with regards to education, Biodiversity, Tūpuna Maunga design, Recreation, commercial activities and monitoring. Together with the IMP, these strategies inform guide and manage the activities undertaken on the Maunga.
6. The Authority administers the Tūpuna Maunga under the Reserves Act 1977 and pursuant to Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014. The Hauraki Gulf Marine Park Act 2000 is also applicable in relation to Maungauika.

Discussion

7. We recommend that the Maunga Authority continue to meet at least six times per year as the Tūpuna Maunga Operational Plan 2025/2026 and a number of key decisions necessitate regular input from the Maunga Authority over the coming year.
